## Grassroots 'on line' herd book User Guide

Grassroots is an interactive 'on line' herd book. It contains all the information you would normally find in a published herd book with easy search functions, and it gives you the added advantage of being able to make application to change the entry for your own herd.

### Table of Contents

1. TO ACCESS GRASSROOTS .....	1
2. PEDIGREE .....	3
2.1. Progeny .....	4
3. FINDING MEMBERS .....	5
4. MANAGE YOUR HERD .....	7
4.1. Apply for registration .....	8
4.2. Registering after Birth Notifying.....	12
4.3. Deaths/slaughter (no charge).....	13
4.4. Transfers.....	13
4.5. Flag Animals for Sale /Hire / AI.....	15

### 1. To Access Grassroots

Go to the BBGS web site ([www.britishboergoatsociety](http://www.britishboergoatsociety))

CLICK ON Grassroots, then Online Goat Registration and scroll down to:

**British Boer Goat Society**

Please do not use the Browser BACK button

Member No :

Password :

[Forgotten your password - click here ?](#)

Log on

Software supplied by [Grassroots Systems Ltd](#)  
Data last updated on April 14, 2017

Details to access this screen were posted out when you became a member.

Next to Member No, enter your membership no i.e.00123 (include leading zeros)

Next to Password, enter your password i.e.bbbb..Click on the Log on button.

# British Boer Goat Society

The first screen is called **Animal Search** and allows you to search for any animal in the database.

Please do not use the Browser BACK button

[Society Home Page](#) [Member Search](#) [Manage your Flock](#) [Animals for sale / hire](#)

**Animal Search** [Help ?](#)

Use the boxes below to search for animals

Registration No :	<input type="text"/>	Enter any part of the reg.no
Animal Name :	<input type="text"/>	Enter any part of the name
Sex :	<input type="text"/>	M,F,C or leave blank for all sexes
Tag No :	<input type="text"/>	Enter any part of the Tag No
Breeder :	<input type="text"/>	Enter the member no of the breeder, to find all the animals bred by this person
Owner :	<input type="text"/>	Enter the member no of the owner, to find all the animals currently owned by this person
Status :	Alive: <input checked="" type="checkbox"/> Dead: <input type="checkbox"/> Other: <input type="checkbox"/>	Tick all applicable boxes
Horns :	- non - <input type="text"/>	Enter any part of the Horns description
Year of Birth :	<input type="text"/>	Enter the year of birth

Type **your own herd number** in the owner box and click on '**search**' for a full list of animals in your registered ownership.

Type **M** in the sex box to reduce the list to males, type a number in the tag box to reduce the list still further.

Now click on '**Search for Animals**'

**The more information you type into this screen the FEWER animals you will find. Less is more on search screens.**

***Please do not use the browser back button at any time when using Pedeweb***

Here is an example:-

A list of the animals which fit your search description will be displayed. Click on any one of them to see more information – anything in blue is a link and will display more information if clicked on

## 4.1. Apply for registration

To register an animal first you need to Birth Notify it. Birth Notifying animals is a good way to keep a record of your flock.

The birth screen only works if the mothers are in your registered ownership. If they have not yet been transferred into the database please contact the society office.

The system should already know the first part of your flock/herd number and your flock/herd name

**British Boer Goat Society**

Please do not use the Browser BACK button

**Births** [Help ?](#)

\* Tag No : UK7285

\* Date of Birth : 0

If the male you need is not listed, click on the words 'search for sire'. If the Buck is already in your name It will be underneath automatically in the drop down menu.

A new screen with a 'form' will be displayed. Type in some information about the male you are looking for. Remember the more you type the fewer animals will be displayed, so try just part of the name or the tag number and click on 'search for animal' for a list of males that include that information. If the male is now dead you may need to widen the search and click 'dead'.

PedeWeb - Animal Search Parameters - Google Chrome

Repeat Info :  **To retain all the information on the screen for siblings, tick the 'Repeat Info' box**

[Add to list of applications](#)

Dam – click on the down arrow alongside dam for a list of all the females in your registered ownership. Remember you can only use this birth screen for offspring whose mothers are in your registered ownership, if you need a generic Dam because the mother is unregistered contact the Registration Officer.

To reduce the list click on the words 'search for dam' and use the 'form' to find individual animals in exactly the same way as described for males. Remember the more you type the fewer animals will be displayed.

Number Born – type 1 for a single. For more you select in the order the animal was born, if was born second you select 2, or fourth you select 4.

Colour- This is S for breed standard markings, C for commercial and R for reds.

Horns – drop down menu for horned, polled or dis-budded.

Registration type – This is if you want to Register straight away select Registration. If you just want to Birth Notify, then select that. Remember Meat Certificated can be obtained for Birth Notified animals sent to slaughter.

# British Boer Goat Society

Click on add to application list and repeat the process for the next kid

Add to list of applications

BN/Reg	Tag No	Tattoo	Name	Sex	DOB	Sire	Dam	Litter
R1	UK0563274/02354		Dunmor Jake	M	6/4/2017	147815	138721	2

I hereby declare that the details given are correct to the best of my knowledge and I agree to be bound at all times by the Society's Rules and Byelaws.

Submit application(s) to Breed Society    Return to - Manage your Flock - Menu

When you have finished the batch, tick the declaration, click on submit application to breed society. If you have a lot to do it is a good idea to submit in batches of 10 or 20, just in case you have a power surge, or get called away to the phone. If the system, or your computer does 'time out' – when you log back in you will find the list you have created will be displayed, waiting to be submitted.

A list of menu options (listed below) will be displayed and if you have not cleared it there may also be a shopping basket.

<b>Total Amount Due</b>			<b>13.00</b>

Proceed to Checkout

The shopping basket is a tally of transactions. It is not linked to the society accounts. **To clear your shopping basket**, please click on '**proceed to check out**', and print the remittance slip offered. **Normal Society registration fees apply.**

You then have the option to pay by cheque – this will produce a remittance slip to send with your cheque made payable to the Society and sent to the normal Society address.  
or

Select 'pay by PayPal' to pay by credit or debit card. You do not need a PayPal account to use this option.

# British Boer Goat Society

## 4.2. Registering after Birth Notifying

If you have Birth Notified an animal and then want to register it click on **Register previously Notified**.

Select the animal you want to register by ticking the box and then clicking **submit registrations to breed society**.

British Boer Goat Society

Please do not use the Browser BACK button

Register previously notified

Please use these boxes to reduce the number of animals displayed

Registration No :  Enter any part of the reg.no  
Sex :  Enter the sex  
Animal Name :  Enter any part of the name  
Tag No :  Enter any part of the Tag No  
ID2 :  Enter any part of the ID2

Search for Animals

Please note that any changes you make on this screen will NOT be saved until the SUBMIT button is pressed. If you have a large number of animals to process, then please do them in batches, clicking the SUBMIT button at the end of each batch

Tick the animals to be registered and change the name if required

Register	Reg. No	Name	Tag No	ID2	DOB	Sex
<input type="checkbox"/>	N30061	River Tower Barley	UK72855800347		15/01/2017	F

Submit Registration(s) to Breed Society    Return to "Manage your Flock" Menu

If you have a lot of animals to search through you can use the filters to find the ones you are looking for.

British Boer Goat Society

## 4.4. Transfers

Please notify the Society Registry of all sales so that the animals can be transferred into the correct flock/herd in the database.

Select 'Transfers' from the 'manage your own flock' menu.

A list of animals in your registered ownership will be displayed.

Click on any of the column headings to sort into order. Use the form at the top to reduce the list, for example type M into the sex box to display only males.

Tick those animals which have been sold.
