- (a) It is the duty of every BBGS member to read and abide by the rules of the Society.
- (b) Application for membership must be made on the appropriate official form supplied by the BBGS and is deemed to be acceptance of the rules of the BBGS.
- (c) Each member shall pay an annual subscription on a due date determined by the committee of the BBGS. The amount of the subscription shall be set by the BBGS committee and may be amended by the committee of the BBGS when necessary.
- (d) Members who fail to pay subscriptions to the BBGS within the required time and in accordance with the constitution shall have all benefits to include Grassroots Registrations and voting rights withdrawn and be deemed NON members.
- (e) Applications for membership made after a lapsed period, will be required to pay a Re-joining fee in addition to the annual subscription.
- (f) Any application for membership after the 9th month of the membership year will pay a reduced subscription when accompanying payment for the following years subscription.
- (g) The payment of an annual subscription by a member is acceptance and agreement to abide by and act in accordance with the rules of the BBGS. The BBGS reserves the right to refuse membership to any applicant.

(2) Birth Notification

- (a) Birth Notification is important and beneficial to the keeping of your records and those of the BBGS.
- (b) Birth notifications can be made either online using grassroots or by using the Animal Registration/ BN form available from the Registrations secretary or the BBGS website.
- (c) Notifying on Grassroots the birth of any kids born entitles the breeder to a BBGS meat provenance certificate. Only correctly birth notified, or registered animals will receive a BBGS meat provenance certificate.
- (d) BBGS provenance certificates can only be issued to and used by fully compliant members.

(3) Requirements for Registration of Boer Goats

- (a) Registrations may only be made by a fully compliant current member of the BBGS.
- (i) Registrations can only be made by the breeder.
 - (ii) The breeder is the registered owner of the Dam at the time of the birth of the animal to be registered.
 - (iii) Where this is not possible the committee may at its discretion accept an application from a member other than the breeder. In such cases the owner's prefix will be used as a suffix. Administration costs may apply.
- (b) No two herds will be allowed to register the same prefix. (the registration secretary will advise if your prefix is available and suitable).
- (c) Registration applications shall be made on the appropriate form obtainable from the Registrations Secretary or from the BBGS website and completed online using Grassroots.
- (d) Colour of goats submitted for registration must be accurately described on the application form as either 'Traditional' 'Red' or 'Coloured'.
- (e) 'Traditional colour' is as described in the BBGS Breed Standard booklet.
- (f) 'Red colour' is as described in the Boer Goat Breed Standard booklet.
- (g) Boer Goats exhibiting colours not conforming to either 'Traditional' or 'Red' as described in the BBGS Breed Standard booklet must be described as 'Coloured'.
- (h) At the point of registration each goat will be allocated a letter to follow its registration number. This letter represents the colour of the goat i.e. (T) Traditional (R) Red (C) Coloured.
- (i) A certificate of service signed by the owner of the buck must accompany each application for registration, except where the servicing buck is in the registered ownership of the breeder.
- (j) All goats to be registered with the BBGS must be ear tagged with an individual tag number and herd number to comply with DEFRA & DEARA regulations (DAFM Agri Department Ireland). This number must cross-reference to the goat's registration number.

(k) Grades of Boer Goats are defined as follows:

- Grade 0 – is 96.875% or over Boer genes
- Grade 1 – is 93.75% Boer genes
- Grade 2 – is 87.5% Boer genes
- Grade 3 – is 75% Boer genes
- Grade 4 – is 50% Boer genes

Goats with a higher % of Boer genes than a Grade 0 will be described as Purebred

- (l) The BBGS will class as purebred (in accordance with Zootechnical Directives) the offspring of those females with 96.875% (and over) Boer Genes.
- (m) All percentage female goats are eligible for registration.
- (n) Only Bucks sired by Purebred Boer Goat Bucks and from Grade 0 or Purebred Boer Goat Dams can be registered.
- (o) On acceptance of a registration by the BBGS, owners will be issued with a registration certificate for each goat, displaying its registered number and other Information, the registration document will include Colour, Sex, Grade, and Pedigree.
All certificates remain the property of the BBGS.
- (p) Any Boer Goat to be registered must as a minimum requirement be the produce of a registered Dam and Sire from a Bona Fide Boer Goat Society or Association in their country of birth. A female kid may be registered into the supplementary register as 50% or Grade 4 if the Dam is not registered with a Bona Fide Boer Goat Society.
For imported animals the correct paperwork must accompany any registration application for the correct qualifying grade to be allocated. The correct paperwork must include information regarding the Breeder and a 3 generation Pedigree as a minimum.
Incorrect or absence of paperwork will see the animal receive a maximum 50% grade.
The discretion of the committee may be called upon to assess this grade.
- (q) If an application for registration is refused or withdrawn, the applicant shall have the right of appeal to the committee, which will then within financial and logistical reason, appoint three representatives of the BBGS to inspect the animal(s) and advise the committee of their findings.

Any decision then made will be the decision of the committee and will be final. Any cost related to any inspection is the responsibility of the applicant and must be paid in advance of any inspection.

(r) Registration fees will be displayed on the BBGS website. For goats not registered within one year of birth, the registration fee will be doubled.

No goat over the age of 3yrs will be eligible for registration.

(s) The Herd Book will be printed annually, and only registrations received on or before 31st of December of that year will be included. A copy of the Herd Book will be available to members on application.

(t) Registration cards always remain the property of the BBGS. In the event of a transfer of ownership, the registration card will remain with the animal.

The animal's registration status will be held until the transfer is completed by the BBGS and the card is superseded by a newly issued registration card with the new owners' details on the reverse.

It is the responsibility of the vendor to inform the BBGS of a transfer.

(u) It is an offence to make any alteration to a registration certificate.

In the event of the death of a goat for any reason the registration card must be returned to the BBGS and Grassroots updated.

(4) Transfer of Ownership

(a) An application for transfer of ownership of a registered goat can only be made by a fully paid up current member.

(b) Applications may be made on current prescribed transfer forms or through Grassroots online system.

(c) Prescribed forms (when used) must be completed and signed by the current registered owner.

(d) Transfer of ownership must be completed within 30 days of purchase.

Failure to transfer within 30 days will see the cost of transfer increase as displayed on the BBGS website. Registered goats must be transferred into the new owner's name before any applications to register progeny is permitted.

(5) Artificial Insemination

All processes connected with AI to be performed by qualified persons and to be completed in accordance with current legislation.

(a) Persons to undertake insemination must provide the society with a copy of their certificate or other evidence of training in A.I. of goats. Or shall be a qualified veterinary surgeon.

(b) Any males used for artificial insemination shall be registered with the society or the society of origin for semen imported from abroad.

NOTE: In the case of imported semen the registration certificate for that male must be provided to the society with evidence that the supplier of the semen has the right to supply such in the UK.

(c) The inseminator is to provide a signed certificate of service to the owner of the doe with AI clearly marked upon it.

(d) Certificate of service is to accompany the registration forms for kids born by this method.

(e) Goats born by this method will have AI marked on their registration card and alongside their entry in the herd book.

(f) The society reserves the right to reject an application to register goats born by artificial insemination if the above rules are not met.

(6) Embryo Transplant (ET)

(a) All processes connected with embryo transplant (ET) to be performed by qualified persons and to be completed in accordance with current legislation.
