JUNE 2023.

Dear Members,

The April/May membership renewal window has now closed and members who have not re-joined in this time frame will be put on hold and charged a lapsed fee of £25 in addition to the annual subscription to re-join.

The Trustees are very mindful of the cost-of-living increases experienced by everyone recently and would like to offer a June amnesty to the lapsed fee.

Members who have not yet paid the 2023 subscription are invited to pay the normal price during the month of June – but should be mindful that their Grassroots access will be on hold until payment has been received by the society.

If you no longer wish to be a BBGS member, please contact the Registration Officer by email:

registrations@britishboergoatsociety.co.uk

Your account will be classed as resigned and you will receive no more communications from us. Accounts not renewed by 1st July will automatically be classified as lapsed until we hear from yourselves and Grassroots access will not be available for you to use.

PROVISIONAL MEAT SALES 2023.

The Trustees are delighted to announce that following last year's successful Meat Goat Sale at Melton Mowbray Market we will be repeating sales this year adding a second date and location at Worcester Market.

These sales are for meat animals only on RED market days. This means you cannot take the animals home from the market and is not a breeding animal sale.

The BBGS will sponsor advertising with the market and there will be rosettes and cash prizes for the Best and Reserve carcass on the hoof judged by the relevant auctioneers representative.

Animals will be entered directly with the markets - closing dates for entries will be 14 days prior to the sale. This is an ideal opportunity to consolidate your herd before winter.

It is the vendors sole responsibility to comply with the markets rules - available from the auctioneers when you enter.

The sale is open to any goat keeper but only BBGS members are eligible for Best And Reserve.

Buyers require all grades of goats.
