June 2026.

Dear Members,

June has arrived, bringing hot beautiful weather. We hope you and your goats are enjoying the sunshine and making the most of these long days. It is a busy and rewarding time on the farm for many and we hope things are running smoothly for you and your herd as summer is in full swing.

As always, we are here with all the latest BBGS news and updates.

Reserve Champion Male

Glynllifon Elis- Glynllifon College

Supreme Champion

Robins Folly Honey- Robins Folly Stud

Reserve Supreme Champion

Hornets Landmark- Jo and Alan Jenkins

The BBGS would like to extend a huge thank you to Mr Johan and Marnie Strauss for travelling all the way from South Africa to attend and judge at the Royal Three Counties Show.

A special mention goes to Johan, who generously dedicated so much of his time to offering valuable advice and support to our exhibitors throughout the show.

Thank you also to Mr Ian Johnson and Dr Paul Unwin for being fantastic stewards, our brilliant result takers, our young rosette presenter, and everyone who contributed to making the event such a success.

This year saw a record number of entries and fantastic class numbers across the board. The standard of competition was exceptional, with the goat classes proving particularly outstanding. Competition was incredibly strong, and earning a place was a real achievement.

Congratulations to all our exhibitors and thank you to everyone who helped make this year's show so memorable.

BBGS Educational Video Series – A Valuable Resource for All Members

Have you explored the educational video presentations available in the Members Hub recently?

Our excellent series presented by David Harwood, BVetMed, FRCVS, remains one of the most valuable learning resources available to BBGS members. Whether you are new to goats or have years of experience, these videos offer practical guidance, expert insight, and useful reminders on a wide range of important health and management topics.

The full series can be accessed anytime through the Members Hub under the **Training** section, making it easy to revisit topics whenever needed.

The presentations cover:

- Video 1 – Introduction
- Video 2 – Worms & Other Gut Parasites
- Video 3 – Johne's Disease
- Video 4 – CAE & CLA
- Video 5 – Abortion and Reproductive Failure
- Video 6 – Metabolic Disorders
- Video 7 – Neonatal Kid Problems and Prevention
- Video 8 – Common Deficiencies: Dos and Don'ts
- Video 9 – Lameness: Early Recognition Is Key
- Video 10 – Common Skin Problems
- Video 11 – Urolithiasis
- Video 12 – Nervous Diseases

These presentations are a fantastic resource to help members stay informed, improve herd management, and keep up to date with best practice.

We also have fantastic slideshows and presentations from world renowned Pacifica Boer goat stud in Australia.

If you have not watched them yet — or if it has been a while since you last visited them — we encourage you to take another look.

Best regards
Trustees of the British Boer Goat Society
